

## Hard Cheeses

Parmesan | Pecorino | Romano

**Shredded**

**Shaved**

**Grated**

ADP sources Cheese from a variety of companies within Australia and New Zealand that is matured and full flavoured.

Whether it be Pecorino, Romano, Parmesan or a blend, ADP offers a range of products to suit.

Specific blends can be made to suit a customer's requirements, using several cheese varieties or sources. As the Bulk Cheese varies from batch to batch these differences can be minimised with blends.

Shredded Parmesan can be supplied as a fine shred for topping on a Salad or Pasta to a coarse shred for adding flavour to Biscuits or Ready to Eat Products.

Shaved Parmesan is perfect to add on a salad, Pasta dish or for extra flavour on a Pizza.

Grated Cheese can be supplied in a variety of flavour profiles from a mild to full flavoured. Blends of Pecorino/Romano/Parmesan can be flavour profiled to match a customer's requirements.

Grated Pecorino/Romano/Parmesan blends can be used as an ingredient in Pesto, Dips, Sauces or just to top a Pasta dish.
