

Mozzarella Cheese

Shred Sizes

Shred sizes can be a combination from the table below.

Width \pm 1mm	Thickness	Length \pm 2mm
3mm	Can be varied to suit.	3mm
4.7mm	2mm to 15mm	13mm
13mm		27mm
		40mm

Shredded

ADP predominantly sources Mozzarella from Australian producers.

Having worked with major Australian suppliers to produce a cheese to meet ADP specifications, this Mozzarella is shredded as Alessandro's and blended with other Mozzarella to produce our 'Top Melt' shredded Cheeses.

The 'Top Melt' shred is formulated to perform under the high temperature conditions of modern conveyor Pizza ovens, with minimal burning.

The Mozzarella can be shredded in different formats or blends of Mozzarella and Cheddars to develop the cooking and flavour profiles that individual customers require.
